

WARRANTY REGISTRATION

Thank you for purchasing a Godwin Dri-Prime® pump. So that we may serve you better, please complete the following information to register your warranty with us. Your Godwin pump is warranted against defects in workmanship and materials for a period of twelve (12) months. If any Godwin pump part should prove defective during normal use, Godwin will repair or replace the part.* Other equipment (e.g., engine, motor) is covered by additional warranties from the respective manufacturer. Warranty period commences with the date of shipment from factory unless registration is returned within 15 days of delivery. Submit your completed warranty by mail, fax (856-467-4428) or online at <http://www.godwinpumps.com>.

*Consult Operation and Maintenance Manual for complete warranty.
