Godwin, a Xylem, Inc. brand, announces donation to the National Coalition Against Domestic Violence

BRIDGEPORT – (December 5, 2011) – Godwin, manufacturer of the Dri-Prime® automatic self-priming, dry-running pump, announces a donation to the National Coalition Against Domestic Violence (NCADV).

NCADV works to eliminate domestic violence, empower battered adults and children, promote and unify direct service programs, alert and educate the public, and promote partnerships.

Godwin Chief Operations Officer, Grant Salstrom, said, "We are pleased to continue being a good corporate citizen throughout the coming year. This donation to NCADV is in line with our company values. The work of the Coalition is far-reaching, and aims to rid lives of violence through education and community engagement."

Godwin encourages employee participation in charitable causes, and divides corporate giving among efforts that include education, emergency and disaster relief, environmental, medical, arts and humanities, and support to armed forces families.
